OBOPUS-VALUABLE Relationships

Headquarters Action Required: Policy Guidance

1. Pending changes in KUBARK's support of HTNEIGH indicate a need for Headquarters policy guidance on future relations between OBOPUS and VALUABLE.
2. Specifically, with the [] -RNLUMPIT axis dissolved, and OBOPUS PSYCH operations transferred to Athens, are we still bound by the London agreements? Do we continue to regard our leaflet campaign as "joint" in any sense except notification of drop dates? Must content be approved by VALUABLE?
3. We are quite willing to draw on [] experience and knowledge, but the question arises as to whether he and [] or [] should work as closely together as did [] and RNLUMPIT.
4. Your prompt assistance in clarifying the "jointness" of our relationship with VALUABLE will be appreciated.
